- 81% of clients who completed the program attended a parenting class or family therapy session

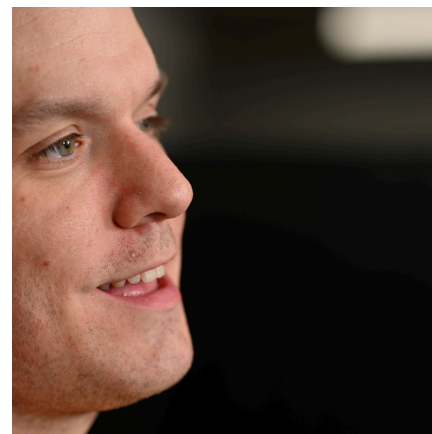

BUILD A HOPEFUL FUTURE AT LIBERTY PLACE.

Liberty Place is Volunteers of America's residential treatment program for men who are working to overcome substance use disorder.

We provide the tools, support, and professional care that puts individuals on a path to a healthy and sober future. Liberty Place residents work hard and are supported at every step on their journey to recovery.

AT LIBERTY PLACE, RECOVERY IS A GOAL EVERYONE CAN REACH.

"The staff has been where we've been, so they have a different kind of compassion for us. We're not just a paycheck."

- Jesse, Liberty Place client

Liberty Place gave Jesse a second chance at a sober, hopeful life.

As a father of three children, he was determined to find recovery and create a bright future for him and his family.

"If you're on the fence about recovery, come try it. You'll have nothing to lose and everything to gain."
